I agree that my \$500 deposit is non-refundable. I am not guaranteed my puppy of choice or gender of choice. However, I understand that I can continue to add myself to future waiting lists until I get a puppy I want/need.

_____ I understand and agree to the above deposit terms and conditions.

I understand that timing of litters is uncontrolled as well as successful pregnancy. DoodletownUSA is not able to control the timing of heat cycles. DoodletownUSA also has the right to cancel a deposit due to the best interest of the parents involved (we put the health of our parent dogs paramount to having a litter). In the event a deposit list is cancelled (breeding pair), I will be given other upcoming options. Heat cycles and timing is not guaranteed.

_____ I understand and agree to the timing, failed pregnancies and deposit cancellation terms.

I understand that client's choose in the order of the deposit list and clients can choose any puppies available to them at their selection time and placement. If a client is unreachable by phone during their 30 minute selection time frame, then they will forfeit their placement.

_____ I understand and agree to the selection day process.

DoodletownUSA reserves the right to use any of its picks in any form or fashion without restriction. DoodletownUSA also reserves the right to replace itself with a client that chooses to remove oneself from the list.

_____ I understand and agree to DoodletownUSA's right to their pick in any form or fashion they choose.

I am aware that puppies can have certain common ailments upon coming home. Urinary tract infections, parasites, ear infections and allergy issues are all common. While DoodletownUSA routinely deworms and is on the look out for UTI's and ear infections, sometimes the stress of leaving us causes things to flare. It will be my responsibility to treat and care for my new puppy.

_____ I understand the puppies can have certain common ailments and I agree to get the proper care and medication if needed.

I understand that Bernedoodles have a good amount of energy and were originally bred to be working dogs. They will need training, exercise and love. Doodles can be mouthy as puppies. This is NOT aggression, but normal puppy mouthing (exploring the world with their mouth).

_____ I understand and agree to the needs of a doodle outlined above.

____I understand that due to safety concerns DoodletownUSA does not ship puppies. You must come pick up your puppy or pay for a flight nanny.

By typing your name and hitting the submit button, you are agreeing to DoodletownUSA's terms and conditions

Ways to make your deposit:

Cash, Cashiers Check, Venmo or Credit/Debit card

If paying with a credit or debit card a fee of 3% will be added to your transaction

Placing your non-refundable deposit reserves a puppy. If you decide to choose from a different litter or even a different puppy, your deposit can be transferred!

Remember this is a NON-REFUNDABLE reservation fee. The fee will not be returned because you did not get the puppy you wanted. Puppies are picked in the order of the reservation list. If it becomes time to pick and the pups that are available do not meet your needs, you can move to a future reservation list!
